NODA PLANNING FOR THE FUTURE

by Laurie F. Moeller, D.D.S. - NODA President

As we approach the end of the year, it’s a good time to reflect on our past accomplishments and goals for the future. With that

thought in mind, our NODA Board of Governors has approved a standing Strategic Planning Committee dedicated to accomplishing goals to further our mission. Four vital strategic areas have been identified:

- 1) Physical resources, which include improved office facilities and website development,
- 2) Communicating value to members and the public,
- 3) Grassroots Governmental Advocacy, and
- 4) Membership and Leadership Development.

Members of the strategic planning committee will meet regularly to review the goals and objectives and track our

progress in attaining them. Your thoughts and suggestions are welcome. Your participation in the process is needed. If you have a desire to become more involved in your association at any level, please contact us.

And toward that goal, our President-Elect, Dr. George Arch, Jr., is accepting nominations for positions on the NODA Board of Governors. It's a great time to be involved in the governance of our organization. Many decisions are being made at the state and national level that will impact our profession and the public. I encourage you to become active in the decision making process.

Our next meeting is Wednesday, October 19, 2011, at Messina's Restaurant in Kenner. Mr. Stephen Pizzo, Esq., a very informative attorney active in medical malpractice law, will present "You've Been Sued! Now What?" This presentation is sponsored by Robert Ellis & Associates. I Switched To LAMMICO

*Joseph P. Simone, II, D.D.S.
General Dentistry, Metairie
Policyholder since 2007*

“When I first started my dental practice, my malpractice insurance was through a nationally known carrier. But it was difficult getting through to someone to help me when I needed them.

Then I discovered LAMMICO, a local company that understands the needs of its dentists. When I have a question, I know I can rely on LAMMICO representatives to find the answer right away.

Now I can concentrate on what’s most important to me—my patients. I’m glad I made the switch to LAMMICO.”

Graduate Honored for Community Service

Raj Diwan, D.D.S., a 2011 graduate of the LSU School of Dentistry and currently a resident in the General Practice Residency, is one of four students nationally to receive the first-ever Student Servant Leadership Award presented by The Academy of Dentistry International (ADI). The award includes a \$500 stipend. It was presented by Dr. Don Brown, president of the ADI Foundation President.

The purpose of the award is to recognize senior dental students who have excelled in volunteerism and student leadership. As a dental student, Dr. Diwan founded the student service organization called "Making Impressions." He recruited a leadership team and network of dental students and

hygienists that helped more than 1,000 people through oral health screenings, provision of dental supplies, and one-on-one education. The student volunteers helped the homeless population in the inner city, along with suburban parents, unwed mothers and HIV/AIDS patients living in a hospice.

Dr. Don Brown presents award to Dr. Raj Diwan

"Our purpose was to connect with the neglected communities of our state," Dr. Diwan said. "We wanted to promote volunteerism through the dental school with the hope of continuing the concept of service as practitioners."

The award was initiated by Dr. T. Bob Davis, USA Section Board Secretary and South Central Regent. The three other recipients are recent graduates of The University of Texas School of Dentistry at Houston, the Dental School at the University of Texas Health Science Center in San Antonio and Texas A&M Health Science Center Baylor College of Dentistry.

LADPAC Raffle Drawing Date Changed

Since most components were not meeting before the scheduled September 16, 2011 drawing date, the date to draw the winning tickets for the LADPAC raffle has been changed to October 21, 2011 in conjunction with the Last Chance Seminar. **The prizes are \$500, \$250, and \$100. Tickets are \$25 each, and the winner need not be present.**

The money LADPAC raises is very helpful in persuading legislators to consider and hopefully support issues of importance to the dental community.

This is an excellent opportunity for anyone who was unable to, or didn't make a contribution to support LADPAC, and you might even win something. People who have contributed are also welcome to take a chance.

In recent years, NODA members support for LADPAC has been perceived to be weaker than would be expected from the state's largest component. This is an excellent opportunity to change that perception. The NODA general membership meetings in September and October will now present you with two more opportunities to purchase tickets, and you are urged to do so. You may also contact Ken Schott (451-2491) or Tom Giacona (813-6513).

by George H. Arch Jr., D.D.S. – 2012 NODA Nominating Committee Chairman

As required by NODA Bylaws, Article XIII, Section 1-11, the Nominating Committee has been formed. The Nominating Committee members are: Drs. George Arch, Jr. (chairman), Darrell Bourg, Jr., Kevin Collins, Erin Fontenot and Jeffry Leeson.

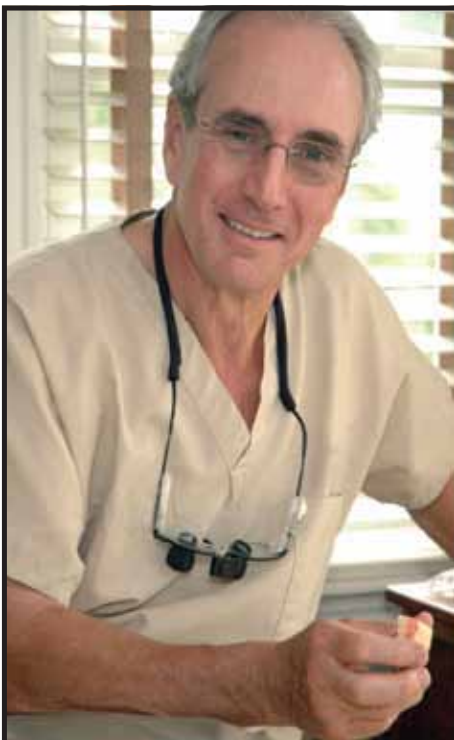

Nominations may be submitted to any member of the Nominating Committee listed above or to the NODA office located at 2121 N. Causeway Blvd., Suite 153, Metairie, LA 70001. All Nominations must be received by Wednesday, November 16, 2011, the date of the November General Membership Meeting. All nominations must be submitted in writing and signed by

two Active, Active Life, Retired and/or Life Members in good standing.

The Committee requests that nominations be submitted as early as possible so that all nominations may be considered before the announcement of the formal slate of nominations at the November Board Meeting and the November General Membership Meeting.
